DIARY

P. 6

did not get back here until 8 p. m., and your clippings were awaiting me here. It seems like a direct greeting from you-which it is. I am fairly well tired, but not overtired, so will get to bed directly. Good-night, dear sweetheart of mine-four more days and three more nights to linger thro' until we are together again.

TUESDAY-Aug. 22-

Here the diary abruptly ends.
